Educational institutions

Students will have their classes at **Santa María La Blanca School**. They will enjoy modern academic and sports facilities in a safe and welcoming environment in the north of Madrid. Located in a residential neighborhood, the school provides an

ideal atmosphere for learning. INESLE, also responsible for the internationalization department at the school ensures a comprehensive and high-quality educational experience for students.

In Santander, students will attend the **Campus de Las Llamas at the UIMP - Universidad Internacional Menéndez Pelayo**, where Spanish courses are offered year-round. They will enjoy the region's stunning natural landscapes, exceptional cuisine, and a wide range of outdoor activities, including surfing lessons.

"The program that INESLE provides to American students is authentic, immersive and well-planned. The curriculum is scaffolded to meet the needs of individual students with varying levels of comfort with the Spanish language. All of our students left Spain with greater confidence in their language skills and life-long friends!"

-Lauren Bonner (Administrator)
Glenbrook North High School (Chicago, Illinois), 2024.

Madrid: Where History Meets Modernity

As the vibrant capital of Spain, Madrid seamlessly blends historical grandeur with contemporary life. Its streets are lined with iconic landmarks such as the Royal Palace and Plaza Mayor, while world-class museums like El Prado and the Reina Sofía showcase masterpieces by artists like Velázquez and Picasso. The city also boasts expansive green spaces like El Retiro Park, offering a perfect balance between urban energy and serene nature. Students will stay at the RESA residence, equipped with modern amenities including coworking spaces, a gym, and study rooms—providing a comfortable and engaging environment for their stay.

Please note that the program schedule and activities are subject to change.

On July 17th, students will return to Madrid where they will catch their flights back home.

"I absolutely loved the cultural trips around Madrid and around Spain. I appreciated the tours in the other language so while we were enjoying access to some of Spain's most impressive locations we learned about art, architecture and were still immersed in the Spanish language. Most memorable of these tours was the Tour through the Museo de la Reina Sofia and lecture at the Guernica."

-Nina Gaither
Horace Mann School (NYC, New York), 2019.

"INESLE Madrid 2016 was an experience of a lifetime. Not only did I make lifelong friends, but I also learned a lot of Spanish. I am so happy I chose to do INESLE this summer because it helped me to step outside my comfort zone and do things I never thought I could do. I loved making new Spanish friends who I'm sure I'll stay in touch with for a long time. From the teachers to the monitors to the kids in the program I can't thank everyone enough for making it a summer I will never forget. After INESLE, I also hope to pursue a minor in Spanish in college. I would definitely recommend INESLE to my friends or to anyone because it was such a great experience."

-Meaghan O'Brien
Austin Prep School (Reading, Massachusetts), 2016.

"I really enjoyed my experience here in INESLE Madrid. The experience in tandem with all the other cultural experiences. INESLE indubitably expanded my knowledge of Spanish culture while the program improved my Spanish, the classes were still enjoyable. I would certainly repeat this experience."

-Winston Wray
Oregon Episcopal School (Portland, Oregon), 2024.

"I enjoyed my experience at INESLE Madrid very much. Meeting students from around the world, and the rich exchange of both language and culture was a fantastic experience that the INESLE program provided me. The opportunity to fully immerse myself in the culture of Spain - while learning to live like a Spaniard, such as living with my host family, I will treasure indefinitely. It was an honor to be part of the 2022 INESLE Madrid program, and I wish the best for future students."

-Quinn Novick
Phillips Academy Andover (Andover, Massachusetts), 2022.
